PROJECTS

GIF GIRL POWER | https://xemotionalx.github.io/giphy-api/ | https://github.com/xemotionalx/giphy-api

✦ This app utilizes the Giphy API and allows the user to search for gifs of iconic women. The user can also save their favorites to local storage. I used Sass, JQuery and AJAX/JSON to build this project.

A DREAM SEED | https://xemotionalx.github.io/a-dream-seed/ | https://github.com/xemotionalx/a-dream-seed

✦ This is a sample website built for local nonprofit A Dream Seed using CSS/Sass.

RECENT EXPERIENCE

Independence Charter School // Teacher - (2018-2019 // Philadelphia, PA)

✦ Spearheaded redesign of the K-8 social studies curriculum; Supervised a team of 5 teachers.

✦ Organized a 2019 National History Day research project event for 7th and 8th graders; Two groups placed at the regional level and continued to the State competition.

✦ Established a Genders & Sexualities Club and facilitated a student-led schoolwide LGBTQ week.

✦ Earned a performance rating of "Distinguished" (2.7/3.0) on final evaluation.

✦ Increased student engagement by utilizing technology, such as Google Classroom and Google Suite.
